## Welcome to the 25 Year Club

### BILL PALMER

On June 17, **Bill Palmer** becomes a member of the 25 Year Club.

Bill was born in Iowa and travelled to Saskatchewan in 1923 where he settled on a farm in the Bulyea district.

After three years of farming he came to Regina and obtained employment in Peart's Hardware.

In 1929 he joined the Simpson's staff as a truck driver and is now a member of Receiving and Branch shipping.

When quizzed on his hobbies, Bill said he was interested in hunting and fishing. We bet he'll be one of the first to enter our new fishing derby.

Congratulations, Bill. Have a good time in Toronto on your 25 Year Club trip.

## A Tip of the Hat...

The announcement has been made of the appointment of **Irv. Koster**, Manager, Accounts Payable Department and the Invoice Office. Irv. was appointed manager of the Invoice Office in December, 1953, and has now taken over the Simpsons-Sears Accounts Payable Department as well, succeeding Walter Roberts, who has left the Company's employ.

# Here and There

It was a gala yet nostalgic occasion when the staff of the Charge Office gathered to fete A. C. Williams upon his retirement from the Company.

The farewell dinner was held on April 27, at the Novia Gold Room. After a lovely dinner, Mr. Neff and Maurice Evenson presented A.C. with a tie clip and cuff link set, also a set of pipes, on behalf of the staff. Marie Williamson pinned the lovely corsage on Mrs. Williams. During the evening two skits were performed, and at the end everyone joined in singing "For He's a Jolly Good Fellow". All the best for the future, A.C.!

We are happy to hear Mort Young is home again after two weeks in the hospital.

Lorna Ellis, Sales Audit, was presented with a chenille bedspread and pillows at a bridal shower held in her honor.

Recent visitors to the Sales Audit were Doreen Jeffery, from Vancouver, and Janet Perkin.

When Lyle Patrick of the Easy Payment Department was transferred to Calgary he was presented with a set of cuff links with tie pin to match also an expansion bracelet.

Olive Csada of the Easy Payment Department has left to make house-keeping a full-time occupation, and received a pressure cooker from the staff.

Irene Berglund, Sales Audit, who has left the Company, was presented with a lighter and ash tray.

Helen Chzyk, Revolving Credit, received a gift of jewellery when she left the Company.

A gift of jewellery was presented to Lou Gillis when she left the Easy Payment Department.

A nylon blouse was presented to Iris Wagner when she left the Easy Payment Department.

It's back to the farm for Dot MacMillan of the Easy Payment Department.

Betty Lynn's friends in General Office presented her with a gift of jewellery on her departure last month.

A lovely housecoat and a pair of slippers were the gifts chosen for Pat Hannah by her friends in the Cash Office when she was transferred to Accounts Payable.

Josephine Kubian received a lovely cup and saucer from her friends in the Cash Office when she left the Company.

Eleanor Robilliard of the Cash Office was the recipient of a gift of jewellery when she left.

Sales Audit is proud of their song-bird, Stella Matusko. Tune in to CKRM to the TBPF show on Saturday and again Wednesday from 1 to 2 p.m. and hear Stella sing.

Dan Dreger, Retail Shoes, has returned to his farm at Lang for the summer months.

The elevator girls from the Retail Store met at the home of Diane Sarazen on April 28 for a miscellaneous shower for Shirley Thompson who was married in May. Those present included: Eileen Longman, Donna Krienke, Olga Jarotski, Joyce Johnston and Marion Ruecker.

When Agnes Borys left the Fur Workroom to join the Drapery Workroom staff, her fellow workers presented her with a lamp. The best of luck in your new job, Agnes.

## Curling Windup . . .

Every "shot-rock" enthusiast must have turned out at the Legion Hall for the Annual Curling Banquet and Dance because it was the dandiest crowd on record.

A bouquet to those in charge of arrangements because everything went along as smooth as silk. The dinner was delicious . . . the variety show put on by **George Alexander** and his group from St. John's Church was top-notch entertainment from start to finish . . . and you can tell by the big smiles in the pictures that the winners were pleased to receive their trophies.

Slim Wilson and his orchestra sure kept up a lively pace at the dance with old-time numbers, square dances and the bunny hop.

All in all it was a peppy evening and a wonderful way to wind up a season of good sport.

## Bowling Highlights

During May bowling will follow curling into the moth balls for the summer months.

Dolly Graham's "Poozlers" have collected all the marbles for the 1953-54 season by side-lining Marg. Temlett's "Lucky Strikers" in the final league play-off.

## Simpson's, Simpsons-Sears Champs

Another 'big first' was realized this year when the Inter-Branch Event was held for the first time. Teams from all branches rolled off to establish a Simpson's, Simpson-Sears champion. Vancouver won the team title. However, our own Yokums from Regina put up a mighty struggle and when the smoke of battle cleared away they were holding not only the runner's-up prize, but also three individual trophies. Those on the Yokums line-up were Wanda Salloum,

Betty Shore, Ian Hume, Bill Bodnaresko, Isabelle Coster, Lil. Janson and Jean Jordan.

Regina bowlers winning individual trophies were:

Isabelle Coster.....	Ladies' high six
Hank Britton.....	Men's high six
Lindsay Hamilton.....	Men's high three

Nice going gang, we're mighty proud of you. Congratulations to Vancouver!

Here's the Poozlers looking happy and smug, the way champs should look.

Standing, left to right, Justine Stancove, Chris Herber, Marg. Garry.

Seated, left to right, "Robbie" Robson, Dolly Graham, Theresa Materi, Hazel Jelinski.

Second best . . . Lucky Strikers.

Defeated but far from downhearted are Anne Buckmeyer, Eileen Longman, Marg. Temlett, Perry Johnson. The missing fifth bowler is Moira McGowan. What's the matter Mac? Camera shy maybe.

"There's always next year," says Perry Johnson and to prove it pulls up his socks to get a running start at the 1955 finals.

## Softball

Our guys and gals are off to the softball wars again. At the time of writing the schedules are not out but the two leagues will be under way by the time this issue is off the press.

These players would certainly appreciate a little support at the games from their friends in the Company. They deserve it.

### Season Opener

Social evening May 17. The 30 members played a two-ball foursome. Lunch was served in the Gyro clubrooms.

This year the girls will play 3 medal rounds to establish their handicaps. The games will be played at the convenience of the opposing partners and will be 9-hole competitions.

We are sure a successful season is in store for the Ladies.

"I hope you keep your cows in a pasture," said the newlywed to the milkman.

"Oh, yes ma'am, indeed we do."

"I'm so glad. I have always heard pasteurized milk was so much better."

Teacher: "If your mother gave you a large apple and a small one and told you to divide with your brother, which would you give him?"

Johnny: "Do you mean my little brother or my big brother?"

## JUST A SMILE

Your \$on, Ru\$\$.

Dear Ru\$\$: NOthing ever happens here. We kNOW you like your school. Write us aNOther letter. Jim was asking about you at NOon. NOW we must say goodbye.

As ever, Dad.

He: "Have you read 'To a Field Mouse'?"

She: "No — how do you get them to listen?"

## Fishing News!

With the fishing season now open we can expect the usual flood of yarns told by wild-eyed fishermen with long arms and no conscience. For years we have been listening to these big fish stories, but with no guarantee of weight or size. Well from now on it's going to be different.

Here's what's going to happen . . .

The Social Club is putting up two small trophies for the winners. There will be one for the pike class and one for pickerel.

To get in on the fun here's all you have to do. First catch yourself a pickerel or a pike.

Next, get the fish weighed in the presence of two reputable witnesses. (This may be a little tough on some of the Wednesday afternoon excursions.)

Now write down the information. Get your witnesses to sign and then send the facts along to **Don. McIntosh**, Display Department.

We will sue the first guy or gal who mails us a three-day-old pickerel.

For the top catch in each class there will be a suitably engraved trophy proclaiming the pike and pickerel champ of 1954.

The contest opens June 1 and closes on Sept. 6, both dates inclusive.

# *Interior Decorating Class*

On Tuesday evening, May 11, a dinner was held in the cafeteria for the students of an Interior Decorating Class. This was handled completely by the three home furnishings departments, Draperies, Rugs and Furniture. The class lasted eight weeks with one lecture and two classes a week. The instructors for the course were our genial Interior Designer, **Bill Hodgins**, also **Fred Tokarek** of the Rug Department and **Bob Thompson**, manager of Draperies.

A 25-question test was given to the students after the dinner and the results were more than pleasing to the instructors. **Mr. Langhelt** presided at the dinner and also took the tests. No doubt a visit to this lovely new store will be a must on the itineraries of many of us who are planning our vacations at the west coast this summer.
